**SPACE** FOR  
**SERVING**

3-YEAR CAPITAL CAMPAIGN FOR RENEW COVENANT CHURCH

## Will you invest with us?

Nine years in and more passionate about serving the Carroll community than ever, we at Renew Covenant Church have been presented an incredible opportunity: securing space in the heart of downtown Carroll for extending the love of Christ to congregation and community for years to come.

Every year our ministries are serving more people among a more diverse segment of the Carroll community including children, youth, older adults, people in recovery, and adults with special needs.

**Invest in what's happening.**

Our heart is to provide space where hope and hospitality are extended through the church and other local organizations building strong individuals + families.

**Invest in the community.**

Our mission in all things is to see lives transformed through Jesus in authentic community.

**Invest in hope.**

## The Plan:

1. To buy the building we currently call home and renovate spaces for worship, hospitality + children's ministry accommodating a growing congregation. This will be serviced through National Covenant Properties (Chicago), a mission-minded lending arm of our church family.
2. To intentionally support organizations that serve individuals + families in our community by renting 40% of the structure (currently in place are groups that invest in children and persons with special needs).
3. To put roots down for the future, establishing a long-term home for the approx. 200 people who attend Renew's services + programs.

## The Need:

In order to purchase the building, our first goal is to raise \$110k by October 2019. This will enable us to secure financing and increase our available space for ministry by 3,500 sq/ft (large basement + kitchen facilities). This begins a 3-year capital campaign with a goal of \$450k to own the building.
